**SUPPLEMENTARY INFORMATION:**

*Background.*--On Friday, November 4, 2014, the Commission determined that the domestic interested party group response to its notice of institution (79 FR 44862, August 1, 2014) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.<sup>1</sup> Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Act.

*Staff report.*--A staff report containing information concerning the subject matter of the reviews will be placed in the nonpublic record on Friday, November 28, 2014, and made available to persons on the Administrative Protective Order service list for these reviews. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

*Written submissions.*--As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,<sup>2</sup> and any party other than an interested party to the reviews may file written comments with the Secretary on what determinations the Commission should reach in the reviews. Comments are due on or before Wednesday, December 3, 2014, and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by Wednesday, December 3, 2014. However, should the Department of Commerce extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of

<sup>1</sup> A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and on the Commission's website.

<sup>2</sup> The Commission has found the responses submitted by Nashville Wire Products, Inc. and SSW Holding Company, Inc., U.S. producers of KASAR, to be individually adequate with respect to both their refrigeration shelving and their oven rack operations. Comments from other interested parties will not be accepted (*see* 19 CFR 207.62(d)(2)).

Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. Please be aware that the Commission's rules with respect to filing have been amended. The amendments took effect on July 25, 2014. See 79 FR 35920 (June 25, 2014) and the revised Commission's Handbook on E-Filing, available on the Commission's website at <http://edis.usitc.gov>.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

*Determination:* The Commission has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B) and 1675(c)(5)(C)(ii).

*Authority:* These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.
